

The Fraternity of Saint George in the Artillery Garden The Honourable Artillery Shoot: 14 October 2012 at the Marks and with the fifth I.L.A.A. Championship at Speed

The Honourable Artillery Company has graciously allowed the Fraternity of Saint George the use of its splendid and historic Artillery Garden for a shoot at the Marks and a Championship Shoot at Speed to raise money for the H.A.C. Benevolent Fund.

The Shoot is by kind permission of the Honourable Artillery Company's Court of Assistants and its Chief Executive. The Shoot is open to all by pre-registration.

The Artillery Garden is the last part of the former Finsbury Fields and no formal shoot at the Marks has been held in the area for some two Centuries. This is hallowed ground for the longbow archer and the opportunity to shoot here a great honour for us all. The coming shoot has historic significance and will be an occasion of quiet splendour.

Rules	International Longbow Archers Association and Fraternity of Saint George Rules will apply
Dress code	Dark blue V-neck jumper, white shirt, dark tie, dark grey trousers or skirt, dark shoes or walking boots
